

WORLD HEALTH ORGANIZATION

Information Note: 10/2014

Subject: Harmonization of Selection Process for Longer-Term Positions in the Professional and Higher-Level Categories

Distribution: All WHO Staff worldwide (Country Offices, Regional Offices, HQ and Outposted Offices)

Date: 7 March 2014

This Information Note is intended to inform staff members of the introduction at WHO headquarters and in the Regions, of a harmonized selection process for longer-term positions in the professional and higher-level categories.

The harmonized selection process is effective for all advertised fixed-term vacancies for positions in the professional and higher-level categories issued from 15 March 2014.

The harmonized selection process described in this Information Note replaces the current e-Manual III.4.2 10-230. Staff members will be informed when the e-Manual has been revised to reflect the new process.
