

Annex 2 :

Reasonable maximum rent levels for Geneva, Switzerland

The outcome of the survey of Geneva's rental market, carried out by the Joint Interagency Working group, established the reasonable maximum rent levels for all types of accommodation with effect from 1 April 2012, as displayed in the following [Table](#).

| (1) | (2) | (3) |
|-----------------------------------------------|-------------------------------|---------------------------------|
| Reasonable maximum rent level in Swiss Francs | Family size | Number of bedrooms (indicative) |
| 2,500 | Single, no children | 1 bedroom |
| 3,100 | Married, no children | 2 bedrooms |
| 4,100 | Single or married, 1 child | 3 bedrooms |
| 4,100 | Single or married, 2 children | 3 bedrooms |
| 4,700 | Single or married, 3 children | 4 bedrooms |
| 5,200 | Single or married, 4 children | 5 bedrooms |
