## CORRIGENDUM – Information Note: 08/2020

**Subject: Clearance of publications originating from WHO headquarters**

**Distribution: All staff at WHO headquarters**

**Date: 21 January 2021**

This corrigendum is being issued, to clarify the clearance process for publications that are normative and standard-setting products. Table 3 of the Information Note is therefore corrected as follows.

**Table 3. Clearance routings, by publication type**

<b>Publication type</b>	<b>Clearance routing</b>
WHO guidelines	Director  Guidelines Review Committee (Department of Quality Assurance of Norms and Standards/Methods and Standards unit (QNS/MSU)) (planning and executive clearance stages)  Assistant Director-General/Executive Director  Chief Scientist (planning and executive clearance stages)
Other normative or standard-setting publications	Director  QNS (planning and executive clearance stages)  Assistant Director-General/Executive Director  Chief Scientist (planning and executive clearance stages)
Other WHO publications	Director  Relevant head of division
External publications	Director  Relevant head of division

All other information provided in this Information Note remain unchanged.
